Sir:

Applicants submit this Statement as an attachment to the Petition For Revival Of An Application for Patent Abandoned Unintentionally Under 37 C.F.R. § 1.137(b) (Form PCT/SB/64) to revive the above captioned application. The abandonment was unintentional.

The abandonment was due to failure to timely file the issue and publication fees. A copy of the Notice of Abandonment is enclosed as Exhibit A. Applicant submitted the issue and publication fees via facsimile on January 18, 2006. A copy of this submission is enclosed as Exhibit B. The docket clerk mistakenly sent this document to the previous facsimile number for acceptance of issue fees. The previous facsimile number had been coded into the facsimile machine for automatic transmittal. The docket clerk was not aware that a new facsimile number had been issued, therefore it was not coded into the machine. Although the fees were timely authorized and transmitted, they were not received by the Patent Office. It had been assumed that the documents were successfully transmitted until the receipt of the Notice of Abandonment (Exhibit A).

The Notice of Abandonment is dated March 22, 2006, and this Petition is promptly and diligently filed within two months of the date of the Notice of Abandonment.

Applicants respectfully request that all necessary fees be charged to Deposit Account 50-0568.

Respectfully submitted,
